Suther's and Power Genetics Bull Selection Field Day

The ninth annual Bull Selection field day is planned for Tuesday, March 22nd 2011 from 10:00 A.M. to 3:00 P.M. at the Schrader Ranch, 3 ½ miles North of Wells, Kansas (North of Salina). This is an opportunity to evaluate and select your next herd bull from a handpicked set of 30 Power Genetics Bulls. Suther's and Power Genetics Staff will be available to help you analyze your operation's performance data and help you select bulls to match your cowherd.

Schedule of Events:

- ✓ 10:00-12:00 **Bull evaluation and data review**
- ✓ 12:00- 1:00 **Lunch**
- ✓ 1:00- 1:30 **Power Genetics Presentations**
- ✓ 1:30- 2:00 ***Bull Bid Off**

*** If more than one firm is interested in a particular bull, the bull will be bid off in one hundred dollar increments amongst interested buyers. We encourage you to come and see the "Power" of Power Genetics.**
